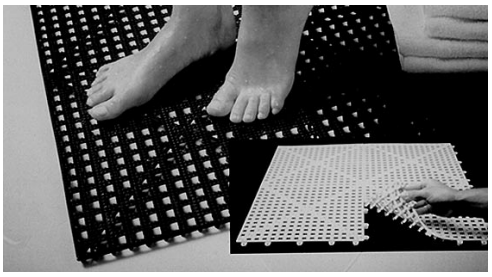
Matting

Dri-Dek®—A New Step In Health Care & Safety

Dri-Dek does more than keep your floors dry.

It kills the infectious bacteria that thrive in showers, locker rooms, around pools and spas.

Dri-Dek's secret? Oxy-B1 vinyl™* Why? Because oxy-B1 robs them of their oxygen supply. No more oxygen. No more germs.



Dri-Dek snaps together to cushion hard, cracked or unsightly floors.

Choose from 12 colors.

To clean beneath it, just roll up the assembled surface.

Edges and corners available.

Colors: Blue, Black, Almond, Gray, Yellow, Burgundy, Hunter Green, Red, White, Kelly Green, Teal, Pool Blue

Diamond Deluxe *Dock* Matting

- Vinyl loop construction filters water & provides excellent flow through
