WESTEX FLOOR CARE PRODUCTS

Durable • Economical • Easy To Use

1) To Strip:

SUPER STRIP Non-Ammoniated Stripper

Powerful, fast-acting, efficient, economical. Especially designed to remove even multiple coats of aged, built-up finish. Safe to use on all floors. Not recommended for unsealed wood. Penetrates and softens hard to remove wax films, removes paste, liquid or solvent waxes and films of most finishes. It prepares the floor for a perfect re-application of floor finish.

Packed: 5 gallon pails

2) To Seal:

SEAL BRITE

A Must For Longest Lasting Floor Protection

A great sealer or undercoat for all floor finishes and waxes. It seals all porous floors and eliminates powdering while helping to prevent staining. Seal Brite is highly resistant to water and alkaline cleaners.

Packed: 5 gallon pails

3) To Shine:

ULTRASHEEN Scrubble Floor Finish

An entirely **new concept** in floor finishes. Now you can get a brilliant, tough finish that stays beautiful through repeated scrubbing. You get a high initial gloss, a film that's tough and heel mark resistant and a long lasting shine that stays on through washing.

ULTRASHEEN is slip resistant (does not contain wax) and spray buffs beautifully...to a mirror-like lustre.

Packed: 5 gallon pails
